Once more we stand, new zeal our hearts im - bu - ing;  
As now we sing, In com - rade - ship more bind - ing;

We raise our hand, Our ser - vice pledge re - new - ing.  
Our love we bring, Re - ward in friend - ship find - ing.

Ne'er to de - ny Our - mot - to's and - claim  
To ev' - ry Y's man - far and - near

Y's men in fact as well as name  
We pledge de - vo - tion most sin - cere!

Al - ways our ob - jects - to pur - sure.  
Glo - ry and pride Y's - men to - be,

We con - se - crate our - selves a new.  
Fill ev' - ry heart with loy - al - ty!
