Theme: "Make A Difference"

<b>Report Date</b>	August 10, 2020
<b>Name</b>	Paul Lim
<b>Position</b>	<b>ASD-CS</b>

### Your expectations to make a difference during the term 2020/21?

1. 100% compliance reporting from RDs of the region with or without CS Projects done;
2. If regions are under lockdown, YMCs may coordinate with other front liners or NGOs and support them under Y'sdom with club logo/banner for public imaging;
3. RD to share responsibility with RSD-CS to collect & report club/district/region CS Projects;
4. To receive the list of appointed RSD-CS from each region with their e-mail addresses for better communication

<b>Goals and Key Targets 2020/21</b>	<b>Status/Result</b> (Completed, Ongoing, etc.)
<i>If numerical please be sure to include the target number in the description and result as of the report date in the Status /Result column.</i>	
1. To have 100% CS Report compliance from all RDs	
2. To support AP in organizing ASP Medical Teams (if pushing through)	
3. To disseminate CS projects info from AP, ISD-CS, IP or IHQ	

### Challenges

Communication response from RD, RSD-CS or regional offices

Covid-19 Pandemic causing lockdown and health concerns for individual/group outdoor activities

<b>Key Activities 2020/21</b>	<b>Status/Result</b> (Completed, Ongoing, etc.)
No scheduled activities yet due to pandemic	

### Medium Term Goals/Plans (Next five years)

*Please note anything you feel relevant to and should be part of or is YMI long-range planning at the Area and International level.*

To help organize a medical team to attend to the "less in life" or where medical help is most needed under AP direction, if the project will push through

### Additional Comments, if any

Everyone is directly or indirectly affected by the pandemic. It caused many members to lose interest in community services, feel discouraged, depressed, detached and disconnected with the club

### Topics for Discussion

### Motions to be considered by ACM/MYM, if any.
