

# Community Service Projects by Southeast Asia Region 2021-2022

## The 4<sup>th</sup> Quarter Report

### Hong Kong District

During the Easter month, Hong Kong District co-organized a “Love & Care on distribution of anti-pandemic necessities Programme” with Chinese YMCA of Hong Kong on April 21, 2022. The District collected various necessities such as rice, masks, noodles, covid antigen test, fruit, medicine, etc from various donors and Y’s men in the district distributed those necessities to low-income families and street sleepers in Sham Shui Po.

The programme was physically supported by Dr. Chan Pak-li, Bernard, JP, Under Secretary of Commerce and Economic Development Bureau and he visited low-income families with our Y’s Men.

Since the 5<sup>th</sup> wave of pandemic in Hong Kong, many clubs committed to collecting and distributing anti-pandemic necessities to many NGO organizations including YMCA so that all necessities could be well delivered to the needy people and disadvantaged groups.

**Y's Men's Club of Peninsular** donated over 6000 protective clothes, 5600 covid testers, 4700 N95 masks, gloves to 18 social welfare organizations including elderly centres, Chinese YMCA of Hong Kong so that front-line staff have enough protection.

**Y's Men's Club of Island East** co-organized with "Love Enchore" Chapter on collection of anti-pandemic necessities and help distribute them to low-income families in Tin Shui Wai with the help of YWCA,

**Y's Men's Club of New Territories East** supported some NGOs in fighting pandemic.

Since the launching of "Education For All" Programme, **Y Service Club of Lumbini** kept offering school bags and education materials to those children living in poor village in Nepal. On April 28, 2022, the club together with Y's Youth clubs distributed over 150 school bages and books to all levels primary school students. IPAP David Lua and RD Joan Wong participated in the programme on that day.

**Y Service Club of Johor Eagles** is continuing to execute Time of Fast project – Hope Box which is the world’s first regenerative organic vegetables and the world’s first solution Aquaponics Satellite Farm with PWD Smart Farm Ability and Family First Malaysia. The project benefits to disability groups in south of Malaysia.
