Challenges (please explain)
<i>Due to the uncertainty of Covid-19 pandemic, some regions are still under government restrictions of performing outdoor activities in groups. And even with the lifting of restrictions in some regions, due to apprehension, many club members still opt to stay home rather than going out to do projects.</i>

Key Activities Planned 2020/21	Status/Result (Completed, Ongoing, etc.)
<i>None so far, due to the uncertainty of the Covid-19 pandemic.</i>	
<i>We will leave the regions to do what is best & suitable for their situation.</i>	

How can Area help?

Additional Comments, if any/Topics for Discussion
<i>Most clubs under the regions of our Area are still in recess, except a few regions whose restrictions have been lifted. For CS Projects of the regions, please refer to the separate lists that I submitted. Thanks to all RDs of the Asia Pacific Area, we have a record of 100% responses with submission of report.</i>
